ENGLISH

1. Choose a level and use the corresponding side of the board.
2. Choose a challenge from this booklet.
3. Place the rabbit and/or otter pieces in the indicated holes according to the challenge: a rabbit in each yellow space and an otter in each blue space.
4. Take only the pieces shown in the challenge.
5. Build a land path and/or a water path to connect all the rabbits to one another and all the otters to one another.

There may be more than one solution. If you find a new one, you can draw it at the end of this booklet, on page 34.

FRANÇAIS

1. Choisis un niveau et utilise la face correspondante du plateau.
2. Choisis un défi dans ce livret.
3. Place les pièces lapin et/ou loutre dans les trous indiqués selon le défi : un lapin dans chaque espace jaune et une loutre dans chaque espace bleu.
4. Prends uniquement les pièces indiquées dans le défi.
5. Construis un chemin de terre et/ou un chemin d'eau pour relier tous les lapins entre eux et toutes les loutres entre elles.

Il peut y avoir plusieurs solutions. Si tu en trouves une nouvelle, tu peux la dessiner à la fin de ce livret, à la page 34.

DEUTSCH

1. Wähle ein Level und benutze die entsprechende Seite des Spielbretts.
2. Wähle eine Aufgabe aus diesem Heft.
3. Lege die Kaninchen- und/oder Otterplättchen gemäß der Aufgabe in die angegebenen Löcher: ein Kaninchen auf jedes gelbe Feld und einen Otter auf jedes blaue Feld.
4. Nimm nur die Plättchen, die in der Aufgabe angegeben sind.
5. Baue einen Landweg und/oder einen Wasserweg, um alle Kaninchen miteinander und alle Otter miteinander zu verbinden.

Es kann mehr als eine Lösung geben. Wenn du eine neue findest, kannst du sie am Ende dieses Hefts auf Seite 34 einzeichnen.

ESPAÑOL

1. Elige un nivel y utiliza la cara correspondiente del tablero.
2. Elige un reto de este librito.
3. Coloca las fichas de conejo y/o nutria en los agujeros indicados según el reto: un conejo en cada espacio amarillo y una nutria en cada espacio azul.
4. Coge solo las fichas que indica el reto.
5. Construye un camino de tierra y/o un camino de agua para unir todos los conejos entre sí y todas las nutrias entre sí.

Puede haber más de una solución. Si encuentras una nueva, puedes dibujarla al final de este librito, en la página 34.

ITALIANO

1. Scegli un livello e usa il lato corrispondente del tabellone.
2. Scegli una sfida da questo libretto.
3. Posiziona le tessere coniglio e/o lontra nei fori indicati secondo la sfida: un coniglio in ogni spazio giallo e una lontra in ogni spazio blu.
4. Prendi solo le tessere indicate nella sfida.
5. Costruisci un sentiero di terra e/o un percorso d'acqua per collegare tutti i conigli tra loro e tutte le lontre tra loro.

Ci può essere più di una soluzione. Se ne trovi una nuova, puoi disegnarla alla fine di questo libretto, a pagina 34.

CATALÀ

1. Tria un nivell i utilitza la cara corresponent del taulell.
2. Tria un repte d'aquest llibret.
3. Col·loca les fitxes de conill i/o llúdriga als forats indicats segons el repte: un conill a cada espai groc i una llúdriga a cada espai blau.
4. Agafa només les fitxes que indica el repte.
5. Construeix un camí de terra i/o un camí d'aigua que uneixi tots els conills entre ells i totes les llúdrigues entre elles.

Pot haver-hi més d'una solució. Si en trobes una de nova, la pots dibuixar al final d'aquest llibret, a la pàgina 34.
