## EXPLORANDO LAS SIMETRÍAS DE LAS LETRAS

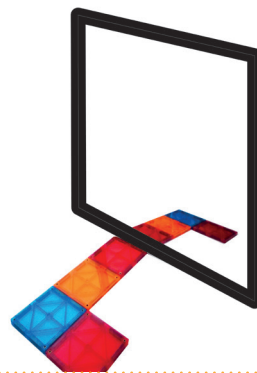

# El desafío consiste en descubrir cuáles **letras del alfabeto son simétricas.**

## INSTRUCCIÓN DE LA ACTIVIDAD:

1

Copia el modelo al borde de un **espejo** para descubrir cuál es la vocal o consonante simétrica.

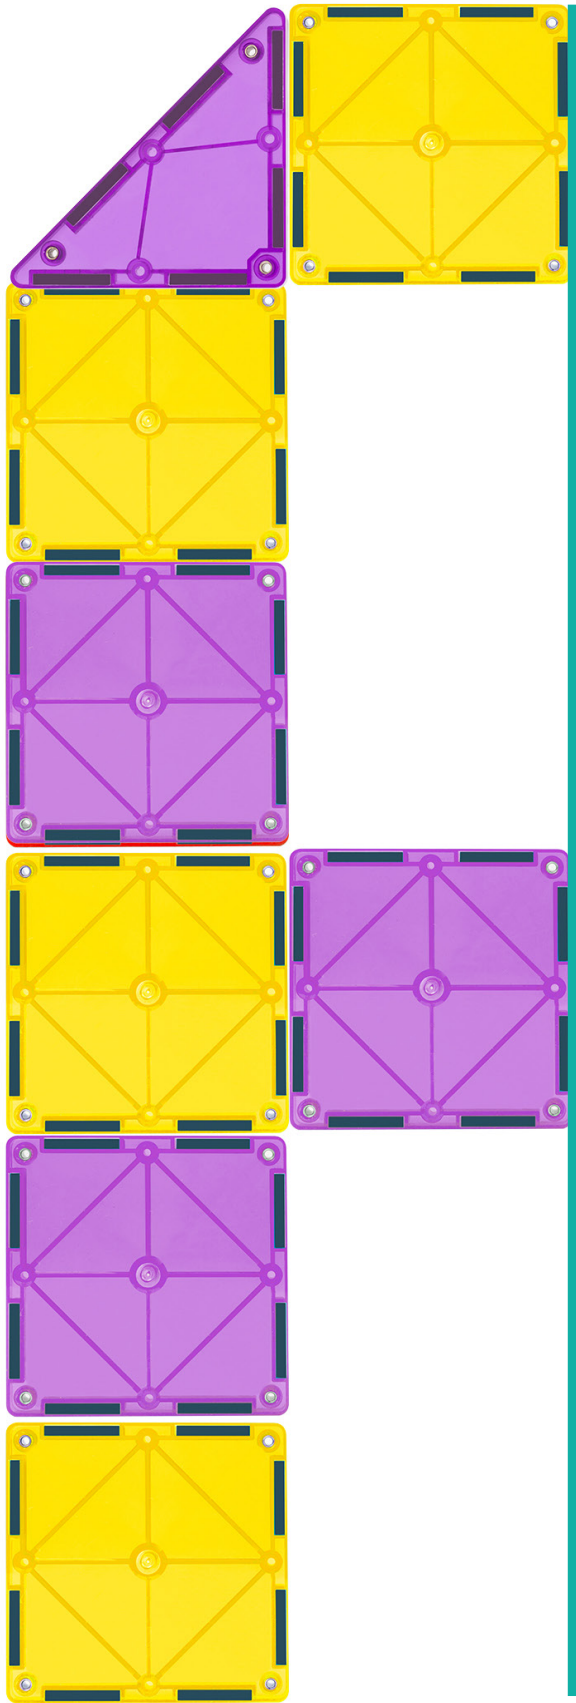

2

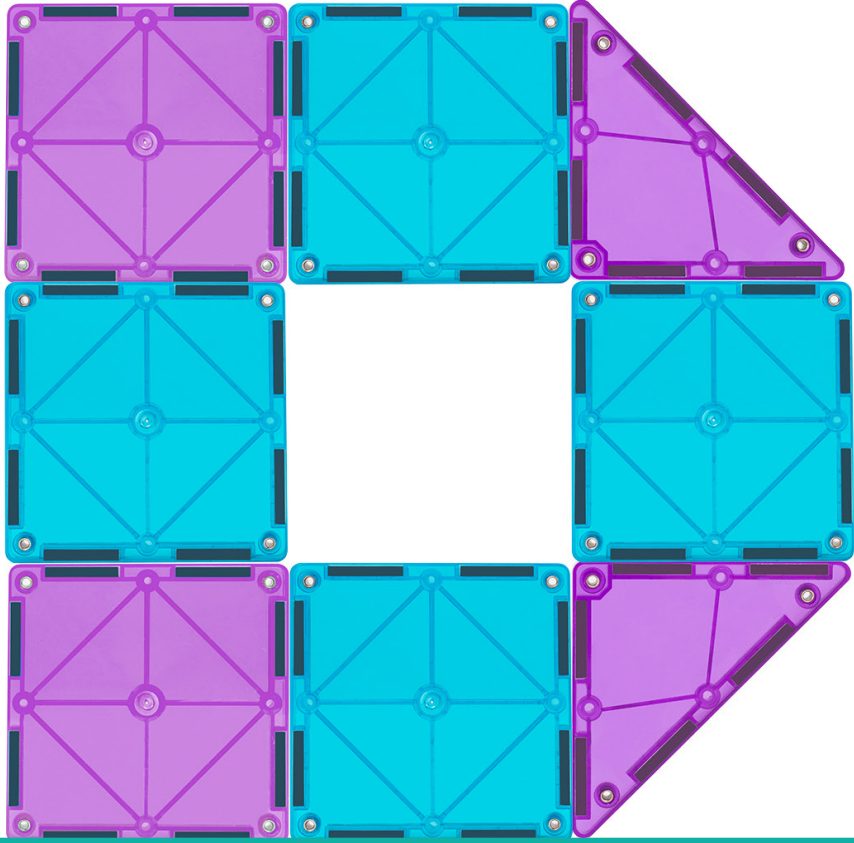

Si no tienes un espejo o prefieres copiar de un dispositivo móvil, puedes copiar el modelo, y **continuar la construcción en su lado opuesto.**

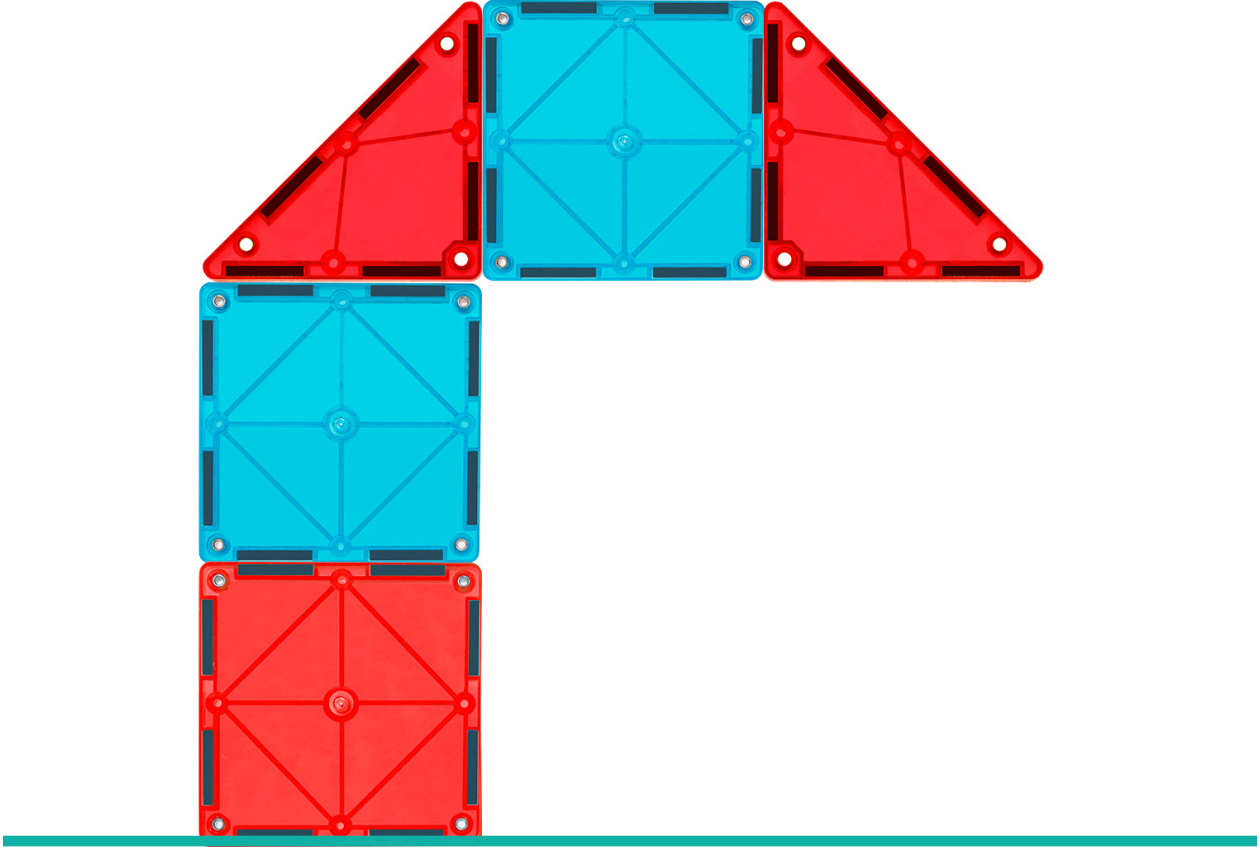

¡Si lo haces correctamente habrás descubierto una letra simétrica!

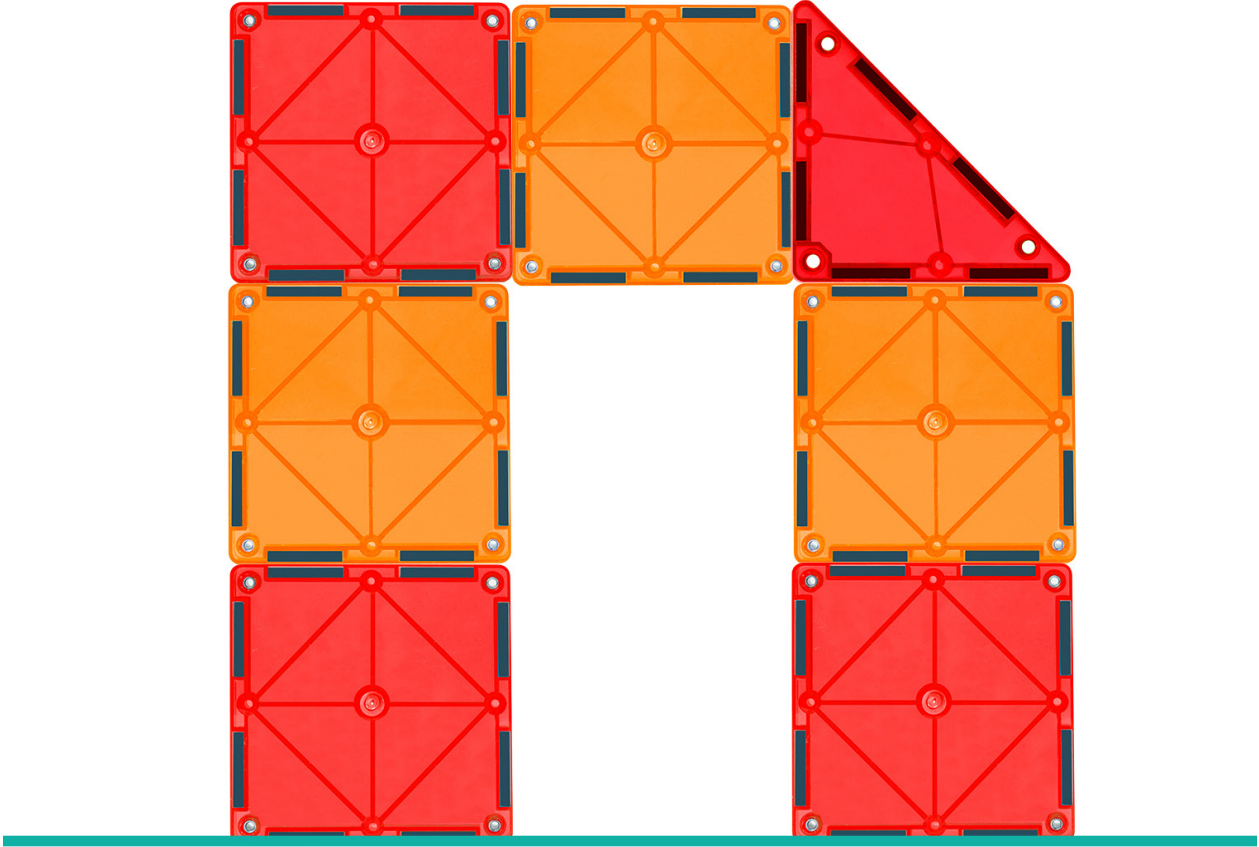

3

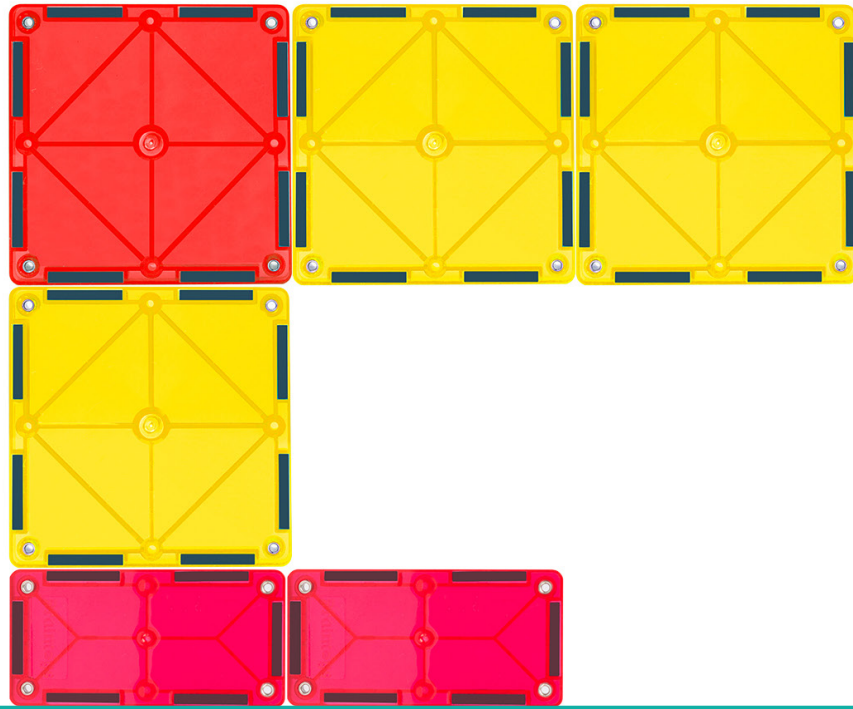

En las últimas hojas de este descargable podrás **comprobar tus respuestas.**
